

LAinternational
Recruiting People for The Technology of Today and Tomorrow

highlights

i LA International's Managed Service Division offers a range of bespoke recruitment services that enable clients to concentrate on their core business. By offering clients a method for achieving significant Cost and Time savings and providing an assurance for continued and improved delivery of the recruitment service, LA International has forged a reputation in this growing market.

Services include

i **Vendor Neutral** - An uncompromised, effective way of managing your recruitment and suppliers. This service is operated on an independent equal opportunity basis that manages "best in class suppliers" in each specific recruitment discipline of your company.

Reduces administration time, improves quality and offers measurable cost savings. Effectively outsourcing the 'recruitment problem'. This service can be provided across all skill-sets and job disciplines.

i **Master Vendor** - As above but with the added supply capability of LA International Transition Management - Can provide significant cost and administrative savings over a period of time to medium to high users of Temporary or Contract staff.

i Consolidation of supply base and simplification of commercial and contractual terms.

i E-Recruitment - by web-enabling the end to end recruitment function significant improvements can be made to a client's recruitment effort.

Streamline Recruitment Process and deliver cost savings.

Transition of multi source staff to a single supplier.

Commercial and Contractual terms rationalised.

Dedicated Legal & Contracts migration team.

Consolidated invoice processing and word-wide payroll service.
